Legislation

Political Action Groups (PAC's)

Thanks to Susan Wolf, who puts this together, you can go to this page, <http://saova.org/ARPACS.html> understand what a PAC does, and in the left menu, check out which representatives in your state are SAOVA endorsed or are animal rights endorsed and/or funded. It's based on a questionnaire Susan sends out, and what she can find from government sites.

If you have a spare \$5 or \$10, please consider a donation to this hard-working group <http://saova.org/support.html>. Coming up with what this site gives us is very time-consuming and is often a thankless job.
